

Anarchist Mtn Community Society - Parklands Dedication Survey

31-Aug-10

Who Responded	Were own land	Do you support the creation of community parks on Anarchist Mountain?	Yes	No	Other Comments	Yes	No
Don L'Heureaux	1 Wapiti Place	As Above		X			1
Aldan & Lily Kachanoski	215 Peregrine			X			1
Don & Margerie Scott	520 Chapman Rd			X			1
Kim Gigante	Regal Ridge		X		Mix of trails, not familiar with the area but I like the idea.	1	
Rod Flavell	15 Black Tail Place			X	Anything that would result in additional fees or taxes we are against. Our property taxes are unfairly high and too burdensome presently		1
Terry Otto	Unknown			X	Parks should not abutt residential land. Small park at Sasquatch Pond picnic area. Don't reduce Conservation Areas. Open to public is safety issue.		1
Alice Zinowki	Unknown			X	My vote would be for no park land on the mountain as there are many trails and the conservation area too.		1
Ed & Sue Williams	155 Grizzly Place			X	Do not want park. If park is a must small drive off Hwy 3 , park/ picnic area Sasquatch or Wapiti pond area		1
Candy & John Anders	9 Sasquatch			X	Don't want park on Anarchist. Allow Erickson to decide on Conservation Areas. Concern about public and fires. Not interested in paying RDOS any increase in taxes.		1
Dean & Glenda Corbett	1360 Kelly Rd		X		RDOS should own & operate. Small park at Sasquatch or S W below Grizzly / Black Tail	1	

Gloria Richardson	801 Raven Hill Rd.			X	Example of the Regional District trying to impose urban bylaws onto rural residents. Local Government Act does allow the residents have a say in the matter. primary users and beneficiaries of a park will be tourists rather than residents.			1
Rudy & Hilda Reimer	650 Raven Hill Rd			X	Not in favour. If required park at Sasquatch Pond, and Caribou/ Wapiti. AMCS maintained. Limited public access.			1
Jacqueline Mason	Unknown				Adrian has given 3000 acres and developed trails, to protect wild life. We do not want to be worried about people throwing their cigarette causing a forest fire			1
Sue & Naga Terrada	Peregrine			X	We believe in public access and sharing the beauty of Anarchist Mtn. Parks should ONLY be funded by the Province, not local RDOS taxes.	1		
Jon & Odrothy Rescorla	Kelowna now			X	Not in support of parks. If necessary Sasquatch Pond, Caribou, Not below Grizzly. Parks shoould nnot be operated by RDOS.			1
Irvin & Donna Redekopp	251 Long Joe Rd			X	Only small parks. Sasquatch Pond, Wapiti Rd., Not below Grizzly/ Blacktail. We oppose RDOS owning any of the parklands. Concern about non-resident use. Would apprecaite AMCS overseeing parklands - but not sure how this can work.	1		

Eric & Burl Goodman	Long Joe Rd.		X	Regal Ridge has been more than generous with onservation Land now. If absolutely a requirement - then minimal parks at Sasquatch or Wapiti pond area. Fire hazard a big concern (2003). Need public meting and more discussion.			1
David Sorensen & Baljinder Parmar	Lot 4 - Wapiti		X	Mix of trails. Sasquatch, Wapiti, Caribou, Grizzly all OK.	1		
Brent & Jodie Ross	905 Eagle Place		X	If necessary - Sasquatch Pond or Wapiti area. Not Grizzly / Blacktail or Caribou grasslands. Managed under agreement with AMCS			1
Marten & Wendy Holst	111 Eagle Point		X	All parks should be left natural for animals to roam. If necessary operated by RDOS			1
Claudia Punter	253 Chapman Rd		X	Mix of trails, small developed parks. Area S of Grizzly OK, and Caribou grassslands. Owned by RDOS - operated in agreement with AMCS.	1		
Dennis & Gail Bradshaw	180 Peregrine Crt		X	Leave Anarchist Mtn alone in its own surroundings. Adrian has given enough land to conservation areas. RDOS should never own parks here.			1
Douglas Klug & Claire Chilton	Calgary for now		X	If necessary RDOS should own/operate.			1

Verna & Thomas MacIsaac	Grizzly Place			X	Parks are not required. Original RDOS agreement with RR set aside 3000 acres - RDOS should not be allowed to amend prior agreements. Changes affect wildlife, and increase fire risk.			1
Trish & Leo Callerec	Blacktail Place			X	Do not support community parks. 20Ha grasslands west boundary of Caribou if necessary. Lands should be looked after by RR & residents.			1
Arlet Devisser	150 Peregrine Court			X	Not in support of parks. If necessary owned by RDOS and operated in agreement with AMCS.			1
Chris & Carol Tallowin	Bullmoose			X	Definite "No" to parks. Access by the public is disturbing.			1
Rick & Linda Hudy	Blacktail Way			X	Not in favour of open to the public.			1
John Rink	1234 Hwy 3 East			X	Keep it natural- rural living. Definitely not owned by RDOS, nor operated by RDOS or AMCS			1
Greg & Rhonda Anderson	Lot E - Grizzly Place			X	Not in favour of non-owners having access. Concern about vandalism.			1
Butch & Donna Ferguson	118 Maguire Rd		X		Regal Ridge has improved Anarchist Mtn., RDOS shouldn't get credit. Parklands should be owned and operated by Regal Ridge. RDOS owned - taxes go up.	1		
Brian & Gerri Wallis	Coquitlam, BC		X		Definitely not in support. No public parks. No swings and sandboxes			1
John Nett	Peregrine Place			X	Small park at Sasquatch OK or 20 Ha at caribou. Not owned by RDOS.			1

Scott & Beverlee McKerricher	Mule Deer			X	Would reject any public parklands.			1
Teresa & Nick Marty	Long View Rd			X	Community parks you might find in town inappropriate. Picnic area / washrooms might be OK. Sasquatch Pond might be OK. Not owned by RDOS - operate under agreement with AMCS.			1
Mark & Patricia McKenney	324 Grizzly Place			X	Definate no to parks. RDOS should not own/ operate. No increases in taxes. Fire risk is serious and cannot be discounted. Sasquatch Pond if no alternative. Regal Ridge has given enough - RDOS should back off.			1
Gerard Van der Gaag & Kate McCrae	Lot c, Grizzly Place	New since Aug 1/10		X	No - leave things as they are. Regal Ridge has done enough - RDOS should stick to 2003 rules			1
Alena & Alan Bajkov	Longview Rd	New since Aug 1/10		X	Don't want anything to change - leave it as is up here.			1
Mr & Mrs Eikanger	1370 Wagon Wheel Rd	New since Aug 1/10		X	Do not want parks. Concern over fire hazards. Don't clash with natural hamony of the area			1
David Tullis	Owner in Regal Ridge development - lot unspecified	New since Aug 1/10		X	Do not want parks. If muct have then S of Grizzly is the best			1
Gerrit & Wei Neinhuis	Falcon Place	New since Aug 1/10		X	Do not wish to see any parks here.			1
Connie Kempter & Steve Watson	Sidley Mtn Rd			X	Opposed to a community park and would rather keep everything at status quo under the care of Regal Ridge			1

Barry & Margrit Johnson	155 Cougar Court, Osoyoos, B.C. V0H 1			X	Anarchist Mountain should be left alone . Regal Ridge (Adrian Erickson) has been very generous providing such large areas for conservation land. Nobody (not even RDOS) has the right to ask for more. RDOS should "absolutely not" own any parks here.			1
Shannon Andrews & James Hieb	Lot 2 - Peregrine Place			X	Do not support parks. Public will not take care. There will be more risk of fires. Alternately, Sasquatch Pond area or Wapiti Rd parkette. Parks should not be owned by RDOS			1
